Preparations have started for the 60th International Troy Festival, which has been held for many years in our sister city Çanakkale in Turkey.

The poster of the festival, which will take place between 9-13 August 2023 with various activities such as concerts, theaters, exhibitions, conversations, children's and sports activities, will be determined by the "Poster Design and Mock-up Contest", the applications of which are still ongoing.

In the competition, which is open to all designers over the age of 18 nationally and internationally, the winner poster and two honorable mention posters will be selected. The award ceremony is planned to take place on August 10, 2023, within the scope of the festival's official opening program, in the ancient city of Troia, which is also on the Unesco World Heritage List and gives its name to the festival.
